

**Jinan Luxin Materials Company Limited Donated RMB One Million to Sichuan Earthquake Relief**

**31 May 2008**

The devastating earthquake of 12 May 2008 in Sichuan, China, with a magnitude of 7.8 on the Richter scale, left huge number of people dead or injured and caused colossal and wide spread damage and destruction to the communities and infrastructure. Luxin and its staff were deeply saddened by the tragic loss of lives and extensive damage created by the sudden and deadly earthquake. In addition to extending sympathies and condolences to families of the victims, Jinan Luxin Materials Company Limited on 23 May 2008 donated RMB one million (1,000,000) in cash to support the disaster relief efforts and rebuilding of the affected areas. With the general donations and aids from the Chinese people and people across the globe, it is hoped that Sichuan people will overcome the disaster and rebuild their homeland soon.
